

# Welcome to Class!

For just £5 a month you can support up to thirty of our students, and their teacher, through Gambia Education and Teaching Support.

Sponsor a Class is a fundraising project from Gambia Education and Teaching Support. The money you donate will be used to provide things like educational resources, daily meals, teacher salaries and training at our Sunrise school in Bakoteh, Gambia.

Gambia is one of the poorest countries on earth, but it doesn't have to be that way. We believe the best way to empower people out of poverty is through education. Please join us in our ambition.

# Meet the classes!

Our nursery classes are aged between 3 and 6. They are learning to play games as well as more formal learning in English. One of their teachers is Mrs Sanneh.

Yes, I'd love to follow the little ones in their first ever years at school.

Our lower basic classes are the equivalent of primary school. They stay with us until the age of 12 or 13 when they move on to upper basic. One of their teachers is Mrs Cham.

Yes, I'd like to see my pupils progress in the pivotal primary stage of their schooling.

Our vocational skills classes provide a basic education and training for young people aged 15-25 who have been unable to finish their education elsewhere. The life skills, tie and dye and batik teacher is Mr Darboe.

Yes, I want to know what goes on in Gambian skills classes and see my students move on to the world of work.

# How does Sponsor a Class work?

*"For every £1 donated, at least 95 pence is used to provide education to Gambians"*

You decide what class you would like to follow and support.

Your generous sponsorship is used to pay for things like classroom resources, daily meals and teacher salaries.

You'll receive an update each term from your class.

Because of you, Sunrise continues to grow and provide education to disadvantaged children and young people in the Gambia.

## Sponsors also receive –
